## High Profile Aesthetics & Visibility

**High profile** locations and 24/7 convenience maximizes diversion.

**Custom openings** ensure the cleanest material streams.

Onboard **pressure washer** keeps containers clean and odorless.

**Small footprint** makes efficient use of space at high profile locations.

Lid water seal keeps moisture out to maintain quality.

Material openings are low height and user friendly.

Galvanneal steel panels and a Dupont powder paint finish ensures a long life and great program aesthetics.

Split or single containers up to 6 yds<sup>3</sup> (4.5 m<sup>3</sup>) allow multi-material

## Clean & Efficient Collection

Unique "No-Touch-to-Dump"<sup>TM</sup> method maintains container aesthetics.

This semi-automated system loads 6 yds<sup>3</sup> (4.5 m<sup>3</sup>) in under 3 minutes and turns your program into a highly efficient, low cost operation.

High compaction trucks maximize payloads and direct delivery routing streamlines collection to reduce fuel, trucking and labor costs.

Hyd-A-Way containers are strategically placed in high traffic areas such as shopping malls and grocery stores and have proven to substantially increase participation and recovery rates.

The Hyd-A-Way system is an ideal compliment to curbside programs offering convenient drop-off solutions for residents from multi-family dwellings.

(Leasing options available.)
